## DENOMINATIONS DISPUTE.

Correspondence On Barring of Unitarians.

New York, Oct. 13.—At a meeting here yesterday of the executive committee of the inter-church conference on federation, which meets here next month, it was decided to make public the correspondence out of which has grown the discussion on the subject of the exclusion of the Unitarian denomination from the conference.

The correspondence includes the original letter of invitation and the text of letters exchanged between Dr. Samuel A. Eliot, of the proposed Unitarian delegation, and Dr. E. B. Sanford, secretary of the National Federation of Churches, acting for the inter-church conference. Dr. Eliot said that as the free Christian churches were included in the membership of the State Federations of Massachusetts and Rhode Island the Unitarians had assumed the general invitation to the inter-church conference included that denomination. During the summer, however, he had learned the Unitarians might not be welcomed and he wrote to ask if these rumors had any justification.

## DOCTORS DIDN'T DEMUR.

And a Great Many Have Taken Their Examinations.

Burlington, Oct. 14.—All but five of the 78 physicians summoned before the State board of medical examiners because they had not had their licenses recorded within the time limit provided by the new law had appeared and taken the examination before the board adjourned Thursday night. The physicians for the most part made no complaint and several who had recorded their licenses appeared wishing to take the examination because of the reciprocal relations it would establish with other States.

The board will begin immediately to get a list of those physicians in the remaining six counties who have not had their licenses recorded and an examination will be conducted in Rutland in December for their benefit. Another examination will be held here in January to dispose of those who were not able to appear here and those who cannot go to Rutland.

## TO DOUBT THIS

Is To Disbelieve The Evidence Of Barre Citizens.

L. H. Hooker, carpenter and builder, of 101 Prospect street, says: "What I first stated in the winter of 1897 about Doan's Kidney Pills, sold at E. A. Brown's, was not only absolutely true, but today, in the month of May, 1902, I just as emphatically endorse the preparation as I did when it first came to my notice. I have good reasons for doing so. I had consulted physicians and used every known kidney remedy which came to my notice and which my friends suggested, but still the stopping of the dull, almost constant pain just over my kidneys was remotely in the distance. If I sat down for a short time it made me nervous and I was compelled to get up and walk about for the slight comfort that makeshift afforded. In addition to the backache, trouble with the kidney secretions was very observable at night. When I commenced to use Doan's Kidney Pills my condition I considered serious. I knew by the direct action of the pills on the kidneys that they were going to the root of the trouble and I continued the treatment until I had used five boxes. During the time which has passed, and it is over five years, I have had occasion to appeal to Doan's Kidney Pills and I have never appealed to them in vain. I have recommended them to my friends and acquaintances, who have used them with such good results that they positively state they are an excellent preparation."

For sale by all dealers. Price 50 cents. Foster-McBarn Co., Buffalo, N. Y., sole agents for the United States.
